

Driver CPC Course Drivers Hours & Tachographs

Course Aims

The course is aimed at drivers of passenger or goods vehicles and will help ensure drivers observe the rules on hours and records. Additionally, the course highlights drivers' responsibilities and the importance of hours and records for compliance with the operator's licence. The cost is £95+ VAT per delegate which includes handouts, light lunch, refreshments. This also includes the DSA course registration payment with the 7 hours training added to their driving licence.

Objectives

The course objectives are to:

- cover legislation for EU drivers, including rules on EU drivers' hours, working time and analogue and digital tachograph records.
- cover legislation for domestic drivers, including rules on Transport Act hours, working time and the importance of accurate completion of written records.

Course Content

Drivers legal responsibilities	UTC Time
Pictograms	Printouts
Exemptions	Manual Entries
Domestic Rules	Trace identification
Digital tachograph	Operational modes
Logging On and Off	Hand Written Entries
Analogue Tachographs	Mixed Tachograph Work
Drivers hours Law/WTD	Centre Field Requirements
Makes of Digital Tachograph	Liabilities of personnel in transport
Drivers/Company Workshop	Control Cards

The course will be in a morning session and an afternoon session with lunch in between. The course will include various discussions and question and answer sessions to improve delegate learning and provide opportunities for maximising delegate involvement.

At the end of the session all delegates will be required to complete a feedback form.

Trainers

All trainers are fully qualified with many years industry experience and will tailor courses if required. Courses are Jaupt recognised and registered.
